Nebraska Auto Auction Market Open to Member Sales

The Police Federal Credit Union and the NebraskaAutoAuction in Lincoln, Nebraska, have cooperated to allow members to sell vehicles at the Nebraska Auto Auction. In support of Law Enforcement and as a service to Police Federal Credit Union members, the auction is welcoming members to sell their vehicles at its weekly car auction.

Advantages of this opportunity include a timely sale of your vehicle to qualified buyers who pay market value, with fast and secure payment to you. This is not available to the general public; your credit union has been instrumental in bringing this to you.

The Nebraska Auto Auction is a dealers auto auction that has a consistent auction market regularly attended by 100's of dealers from several states, both live and online, in constant need of vehicle inventory. You may also take advantage of a full range of before-the-sale services like transportation and full reconditioning services.
