# Notable Notes

## FROM OUR SATISFIED MEMBERS:

I am happy to report that the OPFCU ID Theft Support program that your organization has instituted through Merchants Information Solutions, Inc. has proven more than satisfactory in resolving my recent ID theft and Credit Card fraud case. Fraud Investigator Chuck Moore of Merchants Information Solutions was efficient and provided immediate results and ID Theft protection. My case was unusual due to the fact that this crime was the result of my overseas travels in the Middle East. I was quite impressed with the results considering the international implications.

I received monthly updates on my case and my OPFCU credit card has not been violated since. This is a good service. The small fee that OPFCU charges is definitely worth the protection I receive. – Stephen "O"

My experience was fantastic. I received Fantastic support with phone and e-mail communication. They are truly concerned that my credit is monitored properly. I am extremely satisfied with the level of professionalism and follow-through. I highly recommend their services. – Tim S.

# 2017 Robert Sklenar Memorial Scholarships

## Calling all high school senior members

Police Federal Credit Union of Omaha will award up to \$3000 in scholarships to student members who plan to continue their education.

This year's applicants must answer these four questions:

1. As you move into this new and exciting stage of your life in college, provide a brief overview of your future goals and aspirations and reflect on how your life experiences have shaped these goals. Include specific examples of situations in which you faced challenges and how your handling of those situations have helped direct you to the path that you are on.
2. In 50 words or less, describe how you have had a positive impact on the community.
3. Rising college costs have reached critical levels in recent years, leaving graduates with massive debt and difficulty finding jobs in their field of study that pay enough to survive in today's economy. Discuss how your college plans will help ensure that you are successful upon completing your degree.
4. Aside from the issues of college debt and employability, what is the single greatest challenge facing Generation Z individuals?

Student's completed scholarship application and essay must be received at the credit union's main office by 12:00 noon on Saturday, February 18, 2017, for judging. For all the rules, go to [www.opfcu.net](http://www.opfcu.net).
