

## Teaching Teens About Money Together!

Teaching teens financial literacy is as important as teaching them how to read or drive a car. The good news is we have many services to help you teach your teen about financial literacy.

The first thing you need to determine is which of the services we offer your teen is ready for.

- [Savings Account](#) - A great starting point for any teen.
- [Prepaid Card](#) - Great for teens not quite ready for a checking account.
- [Checking Account](#) - We offer free checking accounts with free electronic & mobile services so you can keep an eye on the accounts.
- [Debit Card](#) - We offer free debit cards with a checking account.
- [First Car Loan](#) - Consider a First Car Loan for the teen with you as a co-signer. We'll give the teen the rate based on your credit score. However, the loan will work on building the teen's credit score.
- [Credit-Builder Loan](#) - A Credit Builder Loan builds the teen's credit score even if they don't need the money. We offer a Credit Builder Share Secured Loan at a competitive interest rate, using the current shares the teen has on deposit as collateral.

To learn more about our [Claim Your Youth Program](#) for teen members 13 -17 please visit [www.opfcu.org](http://www.opfcu.org), call, or stop by the credit union!
